## **Kucinich Announces Date for Hearing to Examine Nuclear Loan Guarantees**

**\*Rescheduled\***

Washington D.C. (April 7, 2010) – Chairman Dennis Kucinich (D-OH) today announced a new date for a Domestic Policy Subcommittee hearing entitled “Nuclear Power’s Federal Loan Guarantees: The Next Billion Dollar Bailout?” The hearing will be held at 2:00 p.m. on Tuesday, April 20, 2010 in room 2154 Rayburn House Office Building.

The purpose of the hearing is to evaluate the economic advisability of increasing the amount of loan guarantees for construction of nuclear power plants and to determine whether the issuance of those loan guarantees is likely to lead to a large bailout of the nuclear power industry.

The Committee on Oversight and Government Reform, of which the Domestic Policy Subcommittee is a part, is the principal investigative committee in the House of Representatives.
